

# Assembly Instructions “Vintage Industrial” Dog Bed

Assembly is simple, we have provided all the hardware and tools you will need.

**What’s included?**      1-Platform      1-Long Rail      2-Short Rails  
6-Screws      4-Wheel Pads      1-Allen Wrench

## Step 1

Lay out parts on the floor for easy access.

## Step 2

Attach both **Short Rails** and **Long Rail** to the **Platform** with screws provided.

Important: Only loosely fasten the screws by hand to assure the threads are straight.

## Step 3

Firmly tighten ALL screws using provided **Allen Wrench**.

Important: Do not over tighten screws.

## Step 4

**Wheel Pads** provided can be added under each wheel. Pads will help prevent movement and protect your hardwood floors from scratches.

Add cushion.
